DERMALOGICA BEAUTY SOLUTIONS

	30 Min	60 Min	90 Min
PROBRIGHT	4000	7000	9000
<i>Brighten dull, pigmented and lacklustre skin, using results-driven products combined with technology infused with lactic acid, salicylic acid and papain enzymes, best suited for those concerned with uneven skin tone and wanting an instant glow.</i>			
PROAGE SMART	-	7000	9000
<i>This Treatment is specifically designed for those concerned with signs of ageing, premature-ageing and sun-damage. Treat your skin with retinol complex, vitamin-A and C to smoothen, nourish and regenerate the skin, while controlling the biochemical triggers that lead to skin ageing.</i>			
PROCALM	-	7000	9000
<i>Hydrate, balance and restore the skin barrier with papain enzyme and hyaluronic acid for reduced sensitivity and calmer skin. Soothe sensitive conditions including visible redness and dryness - leaving your skin feeling calm and hydrated with a dewy glow.</i>			
PROCLEAR	4000	7000	9000
<i>This treatment jump-starts acne clearing and helps prevent breakouts well beyond the treatment. Pore softening techniques, extractions, and anti-bacterial actives along with niacinamide and white shiitake mushroom work together to clear and calm congested, breakout-prone skin.</i>
